Re: FOIA Request NLRB-2022-000222

Dear Mr. Michael Daniels:

This is in response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received on November 29, 2021, in which you seek the formal records in *ThyssenKrupp Stainless USA, LLC*, Case No. 15-CA-019703. You assumed financial responsibility for the processing of your request in the amount of \$1.00.

We acknowledged your request on November 24, 2021.

Your request is granted in part, and denied in part, as explained below.

A search of the Agency's electronic casehandling system, NxGen, has been conducted. This search yielded only the unfair labor practice charge from the requested case file, which is attached.

Please note that given only a single record was retrieved from the search, it appears that we no longer maintain or have access to the complete case file. The requested case closed in 2010, before the Agency's transition from paper files to our current electronic casehandling system, and some records may not have been uploaded during the transition period. Moreover, in accordance with the Agency's document retention and disposition policy, the standard retention period for all case files, except for a small number of cases selected for permanent retention because of their historical value, is six years after the calendar year in which a case is closed. A review of the list of permanently retained cases maintained by the Agency's Case Records Unit confirmed that Case 15-CA-019703 was not selected for permanent retention. Given the age of the case in these circumstances, the attached record is the only available record for this case.

Please note that our search of the Agency's website for the requested case indicates that on November 22, 2010, the withdrawal of the charge was approved by the Regional Director at <https://www.nlr.gov/case/15-CA-019703>.

For the purpose of assessing fees, we have placed you in Category D, the “all other requesters” category, because you do not fall within any of the other fee categories. Consistent with this fee category, you will be assessed charges to recover the reasonable direct costs for searching for the requested records, except that you will not be charged for the first two hours of search. NLRB Rules and Regulations, 29 C.F.R. § 102.117(d)(2)(ii)(D). Charges for all categories of requesters are \$9.25 per quarter hour of professional time. 29 C.F.R. § 102.117(d)(2)(i).

Less than two hours of professional time was expended in searching for the requested material. Accordingly, there is no charge assessed for this request.

You may contact Ed Hughes, the FOIA Attorney who processed your request, at (202) 273-1773 or by email at ed.hughes@nrlb.gov, as well as the Agency’s FOIA Public Liaison, for any further assistance and/or to discuss any aspect of your request. The FOIA Public Liaison, in addition to the FOIA Attorney, can further explain responsive and releasable agency records, suggest agency offices that may have responsive records, and/or discuss how to narrow the scope of a request in order to minimize fees and processing times.
